Goldeye Resort Retreat 2026
Friday-Sunday, September 18-20

Join the Edmonton Recorder Society for our Annual Retreat
at Goldeye Mountain Resort near Nordegg, Alberta
This is a time to have fun, meet great people, renew acquaintances,
expand your recorder horizons and make beautiful music.
Players at all levels are welcome.

Retreat Sessions & Schedule

The retreat is all about playing lots of music with a variety of people. Session leaders are volunteers and provide suitable music for each group.

Small-group sessions (4-8 players) are organized by playing level (easy, medium, difficult).

Large-group sessions (all players) bring everyone together and are geared to all players.

The retreat includes all events from Friday's dinner to checkout Sunday after lunch. Participants may bring music for informal jam sessions during their free time.

Music Sources Visit the ERS website for links to music that can be downloaded legally. The Edmonton Recorder Society library will be available at the retreat for browsing and borrowing.
